

Software Engineer

Benefits: Candidates on temporary assignment may qualify for our competitive benefits package which includes group health, life and disability insurance and voluntary benefits such as retirement savings and holiday pay.

Salary range: \$40.00 to \$55.00 hourly

Employment status: Contract / Temporary to Hire

Description

Robert Half is looking for a highly motivated software engineer with a strong knowledge of design patterns and software engineering techniques. As a part of collaborative and deeply passionate team, you'll play a pivotal role in developing new platforms and maintaining existing systems. This role is on a hybrid basis in Columbia, MD.

What you get to do every single day

- Design and implement backend and frontend components and services
- Develop solutions which account for scalability and optimize performance
- Evaluate new technologies and build prototypes for continuous improvements
- Produce high quality production ready code in an agile environment
- Advocate for top programming practices and standards
- Collaborate closely with the product team to build new features and infrastructure

Requirements

- BS or MS in Computer Science or a related field
- 3+ years software engineering experience
- Experience with Python and Django
- Familiarity with SQL and Relational Databases
- Experience with REST based APIs design (JSON, XML, etc.)
- You've been through the planning, launching and refactoring phases of code you wrote
