### Description

Robert Half is seeking an Accounts Receivable (A/R) Specialist. There is a job opening at this quickly growing accounting team for someone interested in great career growth potential and a great benefits package. The role will be set for a hybrid schedule (mix of in-office work days and remote work days).

On an average day, the Accounts Receivable Specialist will enter, post and reconcile batches, research and resolve customer A/R issues, prepare aging report, place billing and collection calls, maintain cash receipts journal, update, and reconcile sub-ledger to G/L. The Accounts Receivable Specialist must be a self-starter with high attention to detail, in order to handle 200+ invoices a week.

This is a contract / temporary Accounts Receivable Specialist position and is based in the Bethesda, MD area.

Your responsibilities in this role

- Settle bank accounts, posting and balancing financial data in a variety of ledgers
- Corroborate documents and codes
- Assist in setting up payment plans; contact clients to help resolve payment issues
- Present information, as requested to shippers, customers, the sales/marketing department and other stakeholders
- Support, communicate, and reinforce the mission, values and culture of the organization
- Pinpoint delinquent customer accounts through various means, e.g. written correspondence, phone contact, skip-tracing, and making arrangements for payment
- Process payments and compile segments of monthly closings and annual reports in compliance with GAAP
- Carry out an assortment of basic accounting tasks in accordance with standard procedures, including general accounting tasks

### Requirements

- Demonstrated analytical skills in basic accounts receivable and accounting policy
- General ledger experience
- AA or BS/BA degree in Accounting or related field preferred
- Attention to detail and demonstrated ability to follow standard procedures is a requirement

- 2+ years of relevant experience in accounts receivable
- Proficiency in Microsoft Office with strong Excel skills
- Efficient in ERP systems
