

IT Technician

Benefits: Candidates on temporary assignment may qualify for our competitive benefits package which includes group health, life and disability insurance and voluntary benefits such as retirement savings and holiday pay.

Salary range: DOE
Employment status: Contract / Temporary

Description

We are looking for technically skilled candidates with good problem-solving ability for the position of IT technician. The duties of an IT technician include being a reference point for all IT related queries at the user level, responding to user needs in a timely manner and ensuring the optimal running of all systems, among other technical duties.

IT technicians are expected to display good interpersonal skills as they will interact with colleagues from various departments and executive levels. They are required to listen to their technical needs, understand their problems, and implement solutions to them.

Apply today for immediate consideration!!

IT Technician Responsibilities:

- Installing and configuring hardware and software components to ensure usability.
- Troubleshooting hardware and software issues.
- Ensuring electrical safety standards are met.
- Repairing or replacing damaged hardware.
- Upgrading the entire system to enable compatible software on all computers.
- Installing and upgrading anti-virus software to ensure security at the user level.
- Performing tests and evaluations of new software and hardware.
- Providing support to users and being the first point of contact for error reporting.
- Establishing good relationships with all departments and colleagues.
- Conducting daily backup operations.
- Managing technical documentation.

Requirements

IT Technician Requirements:

- Bachelor's degree in computer science or related field.
- 2+ years of experience in computer networks and systems maintenance.
- A+, Linux+, or Cisco Certified Network Associate accreditation advantageous.
- Excellent written and verbal communication skills.
- Good interpersonal skills.
- Proficient in database programming and software installation.
- Attention to detail.
- Good problem-solving skills.
