Salary range: \$28.00 to \$33.00 hourly
Employment status: Contract / Temporary

Description

Robert Half is currently working with a client seeking a Data Analyst. The Data Analyst role will involve preparing financial reports that summarize trends for managers. In this role you will be compiling, interpreting, and reporting information on a variety of data types. This Data Analyst position is for someone who is deadline driven and highly analytical.

Your responsibilities in this role

- Call out relevant insights from compiled analytical reports
- Handle management requests to extract, manipulate, and organize data
- Supply key decision-making data for market assessments, forecasting and further investigation
- Examine corporate reports, such as quarterly earnings, to build sound financial reports
- Implement and execute data mining projects, utilizing investigative, organizational, and analytical skills

Requirements

- Excellent verbal, written, and social skills
- Experience with various data models
- Previous experience with data management and manipulation
- 5+ years of experience in financial planning and analysis, data analysis or similar role
- BS/BA in Accounting, finance, or economics
- Advanced knowledge of spreadsheet and reporting applications, inclusive of queries, pivot tables, and V-lookups
- High attention to detail as well as critical thinking and problem-solving skills
- Able to work independently with a minimal amount of oversight
