Robert Half®

is now hiring!

Senior Software Engineer

Benefits: Candidates on temporary assignment may qualify for our competitive benefits package which includes group health, life and disability insurance and voluntary benefits such as retirement savings and holiday pay.

Salary range: $57.00 to $66.00 hourly
Employment status: Contract / Temporary to Hire

Description

The **Senior Software Engineer** will be responsible for implementing new business solutions on

the Microservices Platform. The ideal candidate will have a background in Computer science or

a related field with experience in: Python, Node.js, or Go and the creation and management of

RESTful APIs.

Requirements

The Senior Software Engineer will be a member of the Software Engineering team

dedicating to the integration of internal & customer-facing systems in Eargo

? The SSE will work with other engineers in coming up with frameworks and advanced,

robust and scalable solutions that will help our customers and users to benefit from

experiencing a great interaction with our systems.

? The SSE will typically be implementing solutions that require interaction with other team

members and other areas of the engineering team like e-Commerce, and Corporate

Systems.

? The SSE will also need to work closely with members of several areas of the

organization, including Product, Marketing, and Sales to understand the needs and

propose solutions.

? Build scalable, maintainable, and robust code

? Work with the Data Team to automate solutions where appropriate.

? Writing new Serverless APIs in **Python** using **AWS** (Amazon Web Services) Lambda

Functions, AWS **DynamoDB, Microservices, AWS Glue Jobs, IAM,S3**

? Managing ongoing Serverless API development projects on AWS Microservices platform

? Writing enhanced API's utilizing already existing RESTful API's

? Writing data to AWS **DynamoDB** and extracting it based on requirements

? Write data to a relational database and extract it using **SQL** and MySQL workbench

based on the requirements
